AUSTRALIAN MADE, INJECTION MOULDED 700MM WIDE MUDGUARDS

Alliance Truck Parts has introduced the first Australian-made injection moulded 700mm wide truck mudguard. This MG700 guard, which is UV-stabilised for optimum durability in harsh Australian conditions, is perfect for trucks with wider drive tyres.

The internal width of the new MG700 mudguard is an additional 50mm compared to the current MG650. This allows for extra clearance for wider profile tyres and various truck models as required.

The polypropylene guards, which are 100 per cent recyclable, feature ribs on the inside, which provide strength but also help keep down spray.

Alliance Truck Parts also offers mounting bracket kits for the various mudguards.

FEATURES & BENEFITS

- Designed and manufactured in Australia & represent premium quality
- Unique ribbing adds spray suppression and stability
- The MG700 allows sufficient clearance on the new Actros models to prevent contact with the tyres
- In built track to suit additional brush spray suppression arch
- UV-Stabilised prolongs the life of the guard in harsh Australian conditions
- Made from 100% impact-modified polypropylene and are 100% recyclable
- Available in a range of colours

MUDGUARD SPECIFICATIONS

| ALLIANCE P/N | DESCRIPTION |
|--------------|---|
| QABP MG700B | Mudguard Black 700mm |
| QABP MG700R | Mudguard Red 700mm |
| QABP MG700W | Mudguard White 700mm |
| QABP MG700DB | Mudguard Dark Blue 700mm |
| QABP MG700DG | Mudguard Dark Green 700mm |
| QABP LK700 | Loop Kit includes hardware 330 x 670mm wide. |

LOOP KIT COMPONENTS:

- 1 x 670 x 330mm rubber
- 2 x 670mm length mounting strap
- 10 x nuts
- 10 x washers
- 10 x bolts

DRESS STRIP - QABP MGSSDS

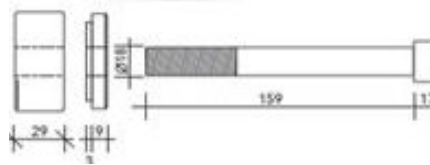

Stainless Steel mudguard, insert to enhance vehicle appearance.

Come in pack of 2. Includes hardware

SPACER KIT - QABP CMBOSK

Steel spacer used for guard adjustment and bracket stabilisation

CHASSIS MOUNT BRACKET SPACER - QABP CMBOSS

Black powder coated steel spacer component of the Spacer Kit used for guard adjustment.

CHASSIS MOUNT BRACKET STEEL END CAP - QABP CMBOSSEC

Zinc plated steel end cap component of the Spacer Kit. Used for guard stabilisation. (The Steel End Cap includes the nut and bolt).

CHASSIS MOUNTING BRACKET REFLECTOR - QABP REF

Reflective end-caps designed to suit chassis mounting brackets (product code CMBOS and CMBA) are injection moulded from polycarbonate.

Unique design refracts light and becomes visible when lit by vehicle headlights which increases side-on visibility of trucks and trailers.

Please note: all chassis mounting brackets including CMBOS and CMBA come fitted with reflective end-cap. Replacement reflective end-caps are available.

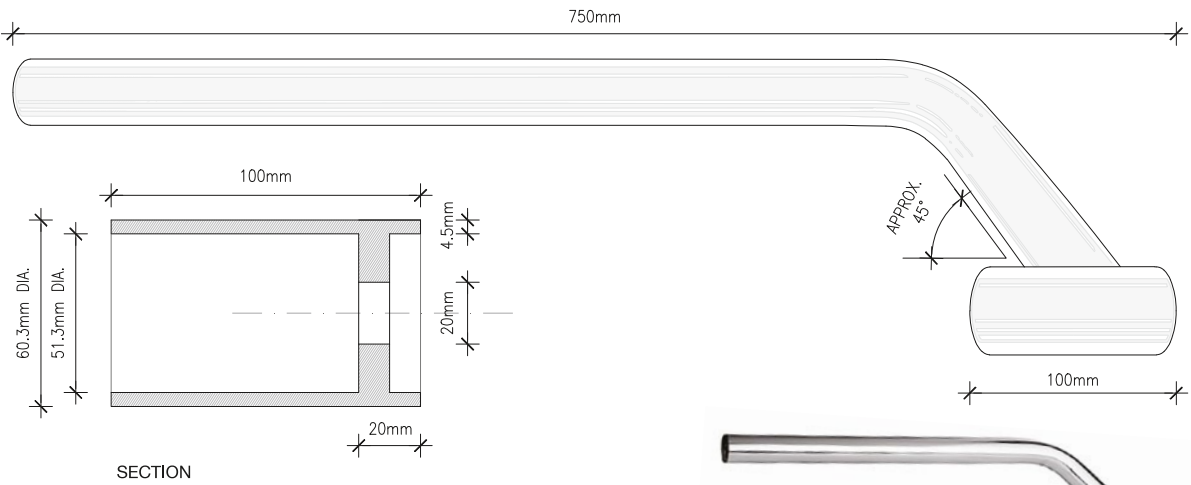

| ALLIANCE P/N | DESCRIPTION |
|---------------|---|
| QABP MG650DG | Mudguard Dark Green 60mm |
| QABP MGSSDS | Stainless Steel Dress Strip. 86mm (w) x 1720mm (l) Fits both 620 & 650 & 700. Includes hardware |
| QABP CMBOSK | Chassis Mount Bracket Off Set - Spacer Kit |
| QABP CMBOSS | Chassis Mount Bracket Spacer |
| QABP CMBOSSEC | Chassis Mount Bracket Steel End Cap |
| QABP REF | Chassis Mounting Bracket Reflector. |

OFFSET CHASSIS MOUNT TUBE

- 4.5mm steel wall
- Single bolt, reinforced mounting
- Fitted with reflector end cap
- Choice of zinc, chrome or powder coated finishes
- Made to a standard, not a price

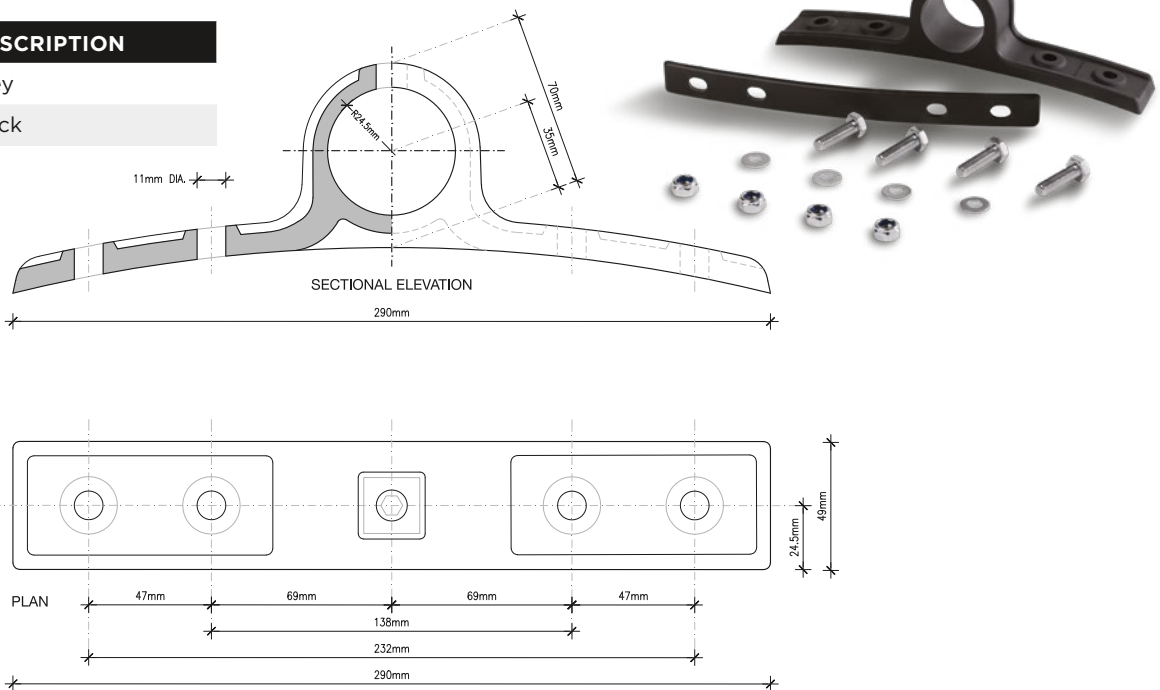

| ALLIANCE P/N | DESCRIPTION |
|------------------|---------------------|
| QABP CMBOS | Zinc Plated |
| QABP CMBOSB | Black Powder Coated |
| QABP CMBOSCHROME | Chrome Plated |

HANGER BRACKET KIT

- Injection moulded from UV stabilised nylon
- Mounting hardware included

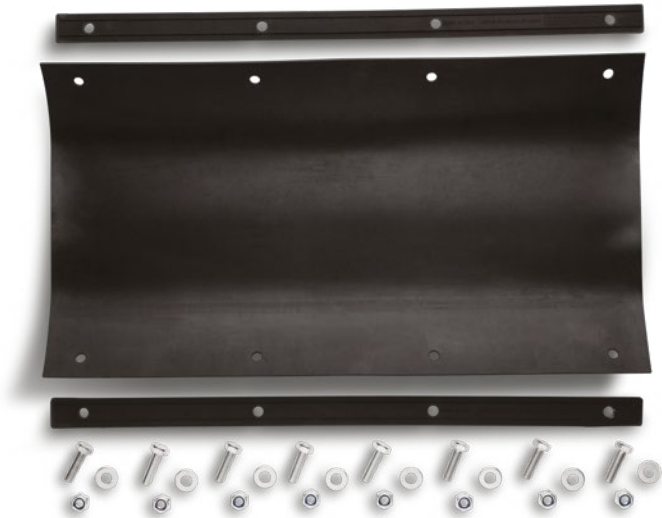

| ALLIANCE P/N | DESCRIPTION |
|--------------|-------------|
| QABP HB300 | Grey |
| QABP HB300B | Black |

LOOP KIT

- 1 x Flexible 3mm black rubber flap
- Nylon mounting straps & hardware

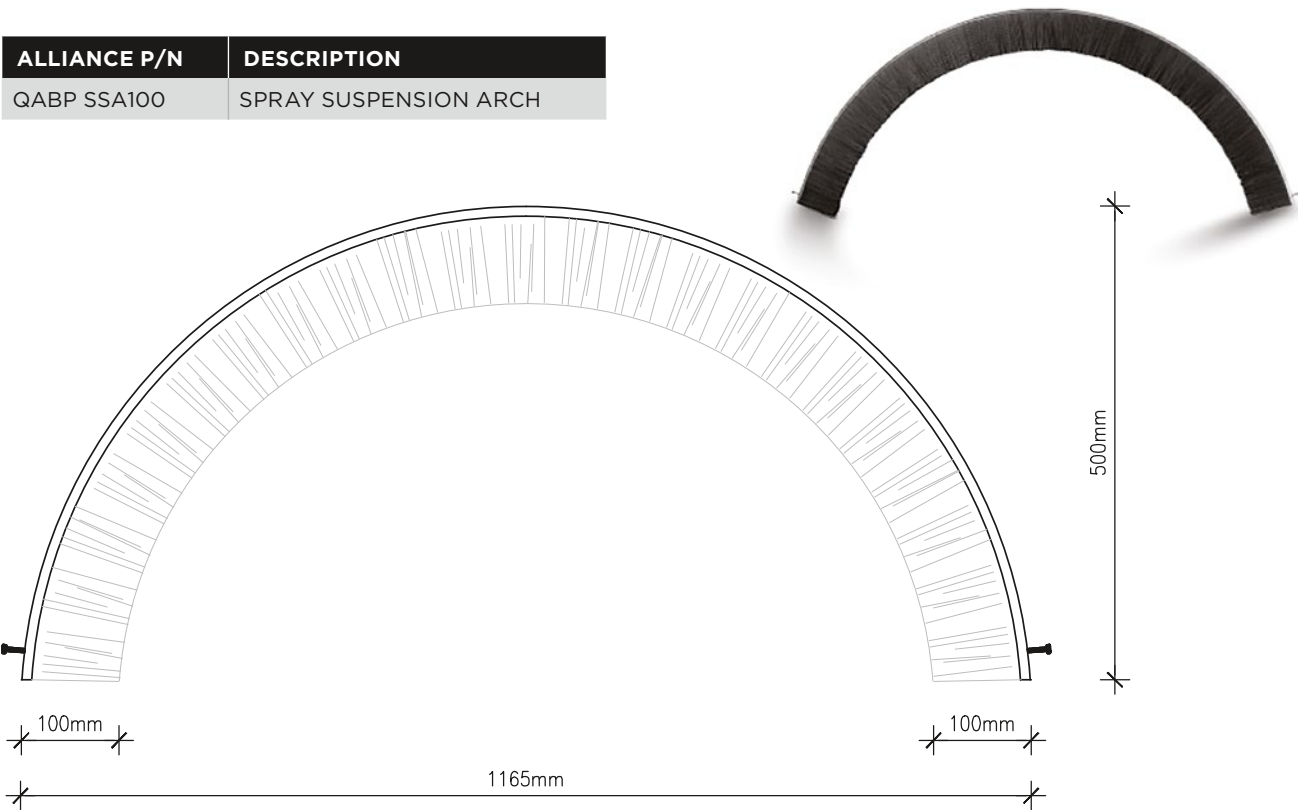

| ALLIANCE P/N | DESCRIPTION |
|--------------|-------------|
| QABP LK24 | Loop Kit |

ANTI-SPRAY ARCH

- 100mm spray suppression
- Stainless steel carrier
- Arched and ready to be mounted into the track provided in the mudguards

| ALLIANCE P/N | DESCRIPTION |
|--------------|-----------------------|
| QABP SSA100 | SPRAY SUSPENSION ARCH |

MUDFLAP ANTI-SAIL BRACKET

- Zinc-plated 8mm steel construction
- Suitable for mudflaps of width 605mm (24") including anti spray
- Comes with simple 2 bolt mounting
- All Anti-Sail brackets come in packs of 10

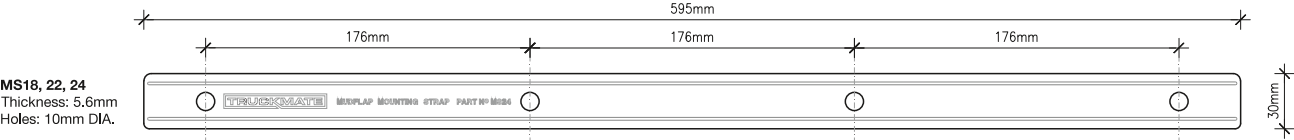

| ALLIANCE P/N | DESCRIPTION |
|--------------|--|
| QABP ASB18 | ANTI SAIL BRACKET , SUITS 18"X 24" MUDFLAP |
| QABP ASB24 | ANTI SAIL BRACKET , SUITS 24"X 24" MUDFLAP |

MUDFLAP

- Injection moulded from tough, UV-stabilised black nylon
- Comes in packs of 10

| ALLIANCE P/N | DESCRIPTION |
|--------------|--------------------|
| QABP MS24 | MOUNTING STRAP 24" |

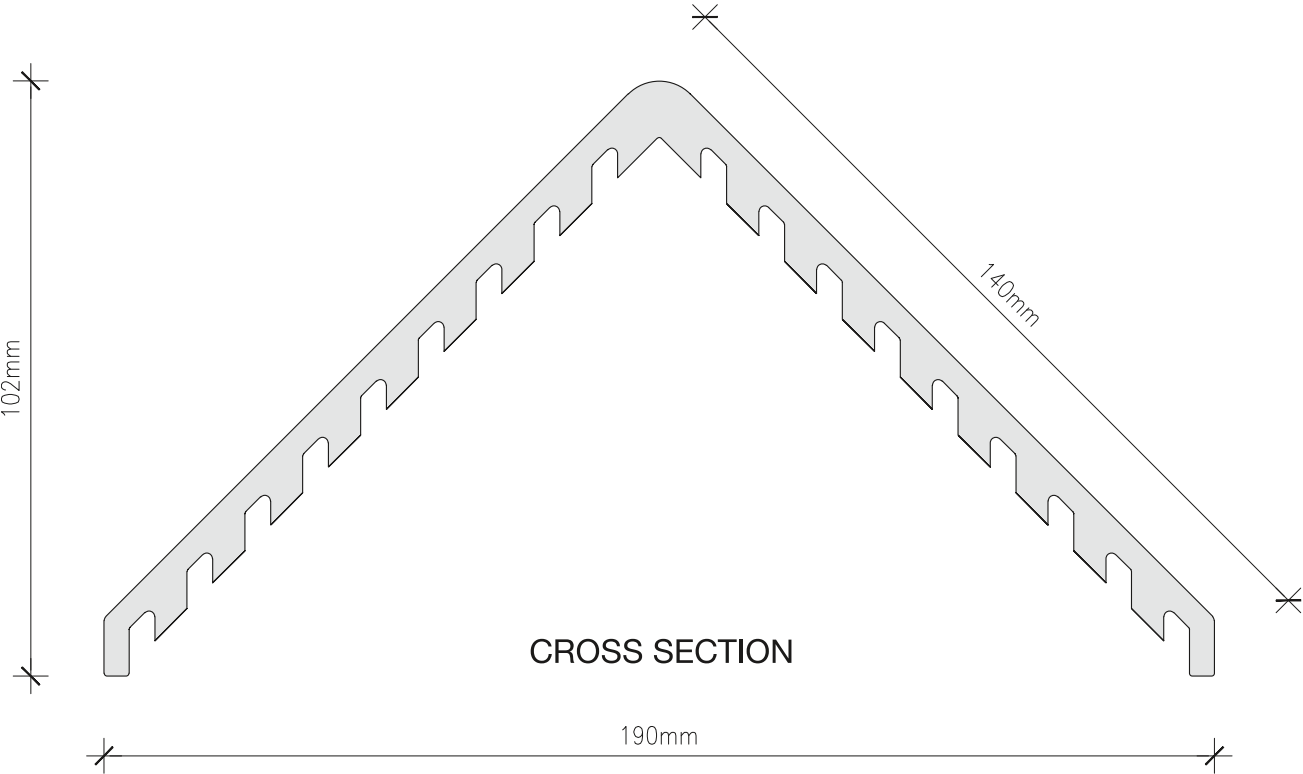

LOAD ANGLE

- A tough product designed for the rigours of the industry
- Injection moulded from high quality, impact-modified polypropylene
- UV stabilised - suitable for Australia's extreme conditions

The load angle was designed to answer the industry's constant call for a product that was:

- ✓ Tough
- ✓ Effective
- ✓ Competitively priced
- ✓ Australian made

| ALLIANCE P/N | DESCRIPTION |
|--------------|---------------------------|
| QABP LA1050 | LOAD ANGLE 1050MM X 140MM |
