

CLEANING RANGE

MADE FOR YOUR TRUCK

Alliance Cleaning Range provides high quality wash solutions you can rely on.

Why choose Alliance Truck Parts?

We partner with some of the most respected brands in the transport industry to deliver products you can rely on. Every product in our range meets or exceeds industry specifications for quality and finish, so you never have to compromise on performance.

Our range is offered exclusively, with competitive pricing designed to deliver genuine value.

ALLIANCE CLEANING RANGE

With parts and accessories for all makes and models, Alliance Truck Parts is the smartest choice for value on the road. Readily available, easily affordable and assured in quality, Alliance has everything you need to deliver.

The comprehensive range of Alliance cleaning products make it even easier to keep your truck shining.

All our washes are formulated and manufactured in Australia.

They are non-acidic, biodegradable, triple inceptor safe and inhibit corrosion.

**Truck Wash, Wash & Wax, Degreaser & Engine Cleaner are also available in 200L*

TRUCK WASH

High-performance truck wash for tough road grime.

Alliance Truck Wash is a high-performance cleaning solution formulated to effectively remove dirt, traffic film and stubborn road grime from trucks and heavy vehicles. Suitable for application by hand or foamed through a pressure washer, it delivers strong cleaning power while leaving painted surfaces clean and bright.

The advanced formula lifts grime efficiently without streaking when rinsed thoroughly and is safe for use on polished aluminium and vehicle finishes. Ideal for routine washing or heavy soil build-up, Alliance Truck Wash provides reliable results and a professional clean every time.

- Fully Biodegradable
- Economical to use
- Ideal for trucks, cars, bikes, boats & caravans

Part Number	Size
QABP 4049 5	5L
QABP 4049 20	20L
QABP 4049 200	200L

WASH & WAX

Premium formula for a lasting shine.

Alliance Wash & Wax is a premium, high-foam vehicle wash designed to deliver outstanding cleaning performance while waxing in a single, easy step. Its concentrated, neutral pH formula safely removes dirt, soils and road grime from all vehicle surfaces without stripping existing finishes.

Formulated with high-quality carnauba wax, Alliance Wash & Wax leaves vehicles with a deep, brilliant shine and a smooth, water-repellent finish that enhances appearance and helps protect paintwork. The rich foam provides excellent lubrication during washing, reducing streaking and making rinsing quick and effortless.

Ideal for regular vehicle maintenance, Alliance Wash & Wax offers professional results with minimal effort, making it suitable for workshops, fleets and everyday vehicle care.

- High foaming concentrated formula
- Premium carnauba wax
- Non streaking finish

QABP 3904 5	5L
QABP 3904 20	20L
QABP 3904 200	200L

DEGREASER

High-performance degreasing for engines, chassis and equipment.

Alliance Concentrated Degreaser is a heavy-duty cleaning solution designed for fast and effective removal of grease, grime, oil and stubborn road film. Suitable for application by low-pressure spray, brushing or swabbing, it can be used neat for heavily soiled areas or diluted up to 1:10 with water for lighter degreasing tasks.

The advanced blend of surfactants and solvents provides excellent emulsification of oils and greases, allowing soils to be lifted with minimal effort. Apply the solution, allow several minutes for soils to break down, then rinse thoroughly. Do not allow the product to dry on painted surfaces.

Ideal for cleaning engines, chassis, workshops, plant and equipment, Alliance Concentrated Degreaser is also well suited for general workshop degreasing and floor cleaning applications.

- Water Based
- Contains Citrus Solvent
- Ideal for engine, chassis & workshop floors

QABP 5155 5	5L
QABP 5155 20	20L
QABP 5155 200	200L

GLASS CLEANER

Crystal clear glass cleaner.

Alliance Glass Cleaner is a streak-free cleaner formulated for automotive glass and chrome surfaces. Its advanced formula removes dirt, grime and fingerprints while leaving windows crystal clear.

Safe for all glazed surfaces, including tinted windows, it also contains anti-fogging agents to improve visibility and driving safety. Ideal for both interior and exterior glass cleaning.

- **Safe for all glazed surfaces**
- **Anti-fogging**
- **Non-streaking, quick dry**

Part Number	Size
QABP 3186 5	5L
QABP 3186 20	20L

WINDSCREEN ADDITIVE

Streak-free clarity for every windscreen wash.

Alliance Windscreen Additive is a concentrated washer bottle additive suitable for all vehicles. Its specialised formulation quickly breaks down bug splatter and road film, helping deliver a clear, streak-free windscreen.

The pH balanced formula reduces smearing and webbing, is safe for vehicle paintwork and helps clean and condition wiper blades for improved wiping performance. Ideal for everyday driving conditions, Alliance Windscreen Additive supports clear visibility with every wash cycle.

- Excellent for bug splatter
- Streak free finish
- pH balanced

QABP KS 5	5L
QABP KS 20	20L

TYRE SHINE

High gloss tyre dressing.

Alliance Tyre Shine delivers a weather-resistant shine for tyres, vinyl and plastic surfaces. Its silicone-enriched formula conditions and protects, giving surfaces a rich, deep gloss.

Apply to clean, dry surfaces using a spray, applicator pad, or brush, then wipe away any excess for a flawless finish.

- **Silicon lubricant**
- **Ideal for both new & aged tyres**
- **Safe on vinyl & plastic**

Part Number	Size
QABP SS 5	5L
QABP SS 20	20L

ENGINE CLEANER

Versatile engine cleaner with flexible dilution control.

Alliance Engine Cleaner is a versatile, high-performance cleaner designed for effective removal of grease, oil and heavy soils from engines and engine bays. It can be applied by low or high pressure spray, brushing or swabbing, making it suitable for a wide range of cleaning applications.

Use neat for heavily soiled areas or dilute up to 1:20 with water for light cleaning tasks. Apply the solution and allow several minutes for soils to break down, agitating if required, then rinse thoroughly with high-pressure water. Do not allow the product to dry on painted surfaces.

Ideal for workshop and fleet maintenance, Alliance Engine Cleaner delivers reliable results.

- **Water Based**
- **Contains Eucalyptus Oil**
- **Handles the toughest of degreasing jobs**

Part Number	Size
QABP 5200 200	200L

METAL POLISH

Restores metals to a mirror-like, corrosion-free finish.

Metal Polish uses advanced polishing technology to restore metals to a brilliant, mirror-like finish. Specialised abrasives and cleaners remove oxidation, staining, and surface rust, producing a blemish-free shine while high-quality sealants help protect against future corrosion.

Safe on a wide range of metals including aluminium, brass, copper, stainless steel and chrome, Metal Polish is ideal for heavily oxidised or dulled surfaces. Apply with a cloth applicator or directly to the metal, rub in a circular motion, allow to haze, then buff to reveal a deep, long-lasting shine.

- Heavy duty metal polish and deoxidiser
- Does not contain harsh chemicals or ammonia

Part Number	Size
QAK BLUE1	1L
QAK BLUE5	5L

HAND CLEANER

Workshop-strength cleaning with skin-friendly, natural ingredients.

A biodegradable, non toxic hand cleaner formulated to remove and dissolve tough greases, grime, oils and soils. Great to use in workshop environments where repeated hand washing occurs. With its natural citrus oil and organic abrasives the toughest of oils, greases and dirt from hands are easily removed. Contains no petroleum solvents or plastic abrasives which typically dry out and crack skin. Ideal for use in workshops, mining, rail yards and manufacturing facilities.

Gentle on skin while providing effective cleaning.

- Natural citrus oils
- Nano scrubbing grit
- Does not contain petroleum

QAK SSBM300	Black Mamba
QAK SST300	Taipan
QAK SSV300	Venom
QAK SSC300	Copperhead

*Active ingredient >1% V/V 2-Phenylphenol

SNAKE SKIN

SNAKE SKIN PRIME SHINE: is a unique polymer wax formulation that leaves a long lasting brilliant shine and silky smooth finish to all exterior surfaces. It has strong hydrophobic properties and will provide water and UV Protection on paint, glass, stainless steel and chrome surfaces.

SNAKE SKIN INTERIOR PROTECTANT: leaves the surface with a natural, non greasy satin finish to rapidly restore and add a beautiful new level of depth to interior surfaces while imparting a delicious new leather fragrance. Interior Protectant cleans, rejuvenates and protects against harmful UV rays from our harsh Australian sun.

SNAKE SKIN GLASS CLEANER: Easily removes dust, dirt and greasy fingerprint marks from all glass, chrome, stainless steel, plastic and perspex surfaces for a crystal-clear, smear free finish. Snake Skin Glass Cleaner contains anti-fogging agents and can also be used to remove bug spatter, nicotine and smoke haze and all other atmospheric grime. Snake Skin Glass Cleaner is completely window tint safe and does not contain any abrasives that may scratch delicate surfaces.
