

SUZICOIL & TRAILER COUPLING SETS

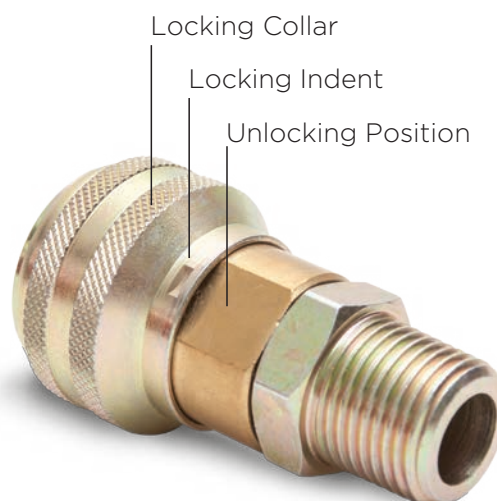

SUZICOIL COUPLING SET

QABP 9001

FEATURES AND BENEFITS

- Safety first, one position locking collar
- Reduced risk of accidental disconnection
- Complies to ADR-38/04 and Australian Standards AS4001, 3-2003
- Convenient coupling kit package
- Australian designed for Australian conditions

Featuring a locking collar with only one unlocking position the Safety Coupling reduces the risk of accidental disconnection. Standard Couplings have two unlocking positions resulting in a far greater risk of accidental disconnection.

Illustrations and photographs used in this catalogue may vary slightly from the actual product. Prototype samples are sometimes used for photography. The production parts may vary slightly.

Availability of products shown in this catalogue is subject to change without notice.

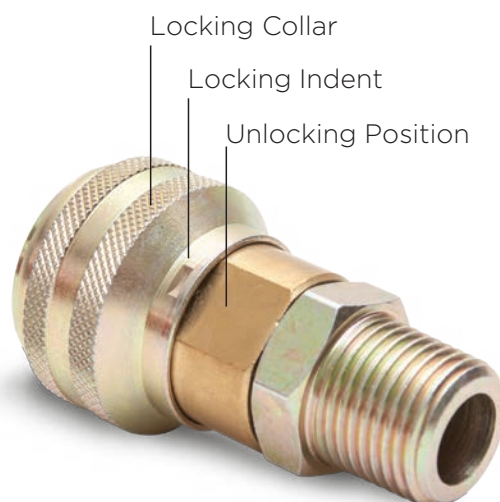

TRAILER COUPLING SET

QABP 9002
